## December 2021

We had a great weekend of carving with Don Fischer carving Gnomes. We had 11 carvers.

One of the 11 was Jude Jahner, a new club member and a first time carver with us. He had done carving on his own and was no longer just a novice. We also had Judy Powers who had done some carving with the club but was still very new. All had completed projects except for some touch up and painting.

Don left us a whole box of animal roughouts. In a later newsletter I will identify and include pictures. They are more for first time carvers but some of us older carvers could enjoy them also.

**Troy Helget will be instructing December 3,4,5, and 6th if needed. We will be doing a 17" Walleye with scales. Cost of the class will be \$135. We have 10 people at this point and we know it will be a fun class. Troy added the extra day so he can spend more time with those that came from a distance and make sure they complete in three days. Those of us who live close by can take our time.**
