February 2021

4-H club members got a taste of carving. On January 10th, Sonya, Keegen and myself worked with 11 4-H club members from a variety of ages on a 3 hour fish carving class. At the end, they all walked away with a completed fish, painted and mounted and an additional one to take home and work on. They each bought a carving glove from the club to keep and we furnished the tools and paint. Everyone had a great time and they are looking to come back again on another project.

- Intarsia wood art -

Club member Jim Bridenstine has found a way to keep himself busy during this past strange year.

It has been awhile but we will try to get together on Saturday the 27th for 1 day of carving starting at 8 am. We will have a pot luck at noon with a club meeting. We will discuss how we should proceed going forward. Everyone bring a mask and we will have separation seating. Bring your own project for carving or if you would like to start a new carving, the club will have roughouts available. Hope to see you.

The Legacy of the Lakes Museum is pleased to announce the 2nd Annual Pledge-a-Paddle Community Art Contest. Last year we had 35 magnificent paddles from the community displayed as part of our Slo Boats exhibit. This year, the paddles will receive their own exhibit!

We invite members of the community (of all ages) to participate in this year's contest. The paddles will be displayed for the entire museum season, allowing the public to vote for their favorites for the People's Choice Award, adult and youth category. All paddles are eligible for the Juror's Choice and Artists Choice awards. In August, there will be an Artist's Reception for all the paddle art creators with an awards presentation.

One paddle will be provided to each registrant. Registrants are not required to use a provided paddle, but must get approval of paddle dimensions

- There are two age categories: Adult (15 & up) and Youth (14 & under)
- *Unless otherwise noted on registration form, the artist is donating their paddle to the Museum for the purpose of a fundraising auction benefiting the Museum.
- Legacy of the Lakes Museum is family friendly and reserves the right to not display art that is deemed in appropriate. In that event, the registrant will forfeit the registration fee.
- Award winners will receive prizes furnished by area businesses
- Submissions must include the title of the work and name of the artist

The registration fee is \$20.00; \$15.00 for [museum members](#).

Registration is Jan 6th to March 31st. Pick up is March & April. Submission is May 3rd.
