

NEWSLETTER

November 2021

We had a great time putting on a basic fish carving class for Community Ed in Alexandria. We had 6 class participants. Ages went from high school to retired and everything in between. Sonya, Jim Bridenstine and myself put on 2 Wednesday classes, 7 pm to 9 pm each evening. Everyone went home with a completed project, happy and wanting another class.

We will be putting on another class for Community Ed in January, 19th and the 26th. Class time will be 6:30 pm to 9 pm.

We will be carving a realistic crappie mounted on a piece of drift wood. Watch for the Winter Community Ed brochure.

Our hope with the Community Ed classes is that we might pick up some new members. From the first class we did receive a new member.

Because of the donations we received we have ordered 5 more carving kits to have on hand for new carvers. This gives us 9 complete sets with knives.

Coming classes

We have Don Fischer here on November 19, 20 and 21 to carve Gnomes.

Troy Helget will be back with us on December 3, 4 & 5 to carve a Walleye

Winter is fast approaching so it is time to settle into some serious carving. The club has rough-outs available if you need some. Contact me if any are needed.

Dues are Adult or family = \$30
Junior members = \$5
