## September 2021

Sonya and I did some carving demonstrations at the Douglas County Fair this past month. Had a lot of fun, met some great people and we were asked about doing some more carving with 4 -H kids and Home Schooled kids. Sonya got Grand Champion on her Bar room carvings. She also placed on several other entries. Keegan and Ursulla also received ribbons.

Ursulla and I worked at Youth Outdoor Activity Day on August 29th. We were helping kids make an Owl ornament. We ended up making 150 Owls until we ran out of supplies. Sent several owls home with kids to finish with their parents. Awesome day. We worked non stop from 10 AM to 4 PM. No food, no break and nothing to drink. We both made up for that when we got home.

*We still plan on carving and Angel with Marty Dolphen on September 24, 25 & 26th. Cost will be \$140.00. Contact Sonya or myself if you are interested so we can let Marty know on the number of roughouts to bring. Our contact numbers are on the side of this newsletter.*

We have tentatively booked Don Fischer for October 15th–17th for a Gnome carving. We will start Friday evening for a few hours.

### News Flash

We will be putting on a basic fish carving class through Community Education. It will be October 13 & 20th from 7 PM to 9 PM each night. We will hold it at Sonya's carving studio. Carving, wood burning and painting. Let us know if you will be able to help. We are limiting the class to 10 people.

Stay tuned for our Fall and Winter carving schedule. It is getting to be that time of year when we start out monthly carving sessions. We will use a combination of our members teaching classes to bringing in instructors.

4-H club carving a fish with the Club this winter

This is what we made with "Youth Outdoor Activity Day" last month.
